PDC WEDS Training Scheduled for King County

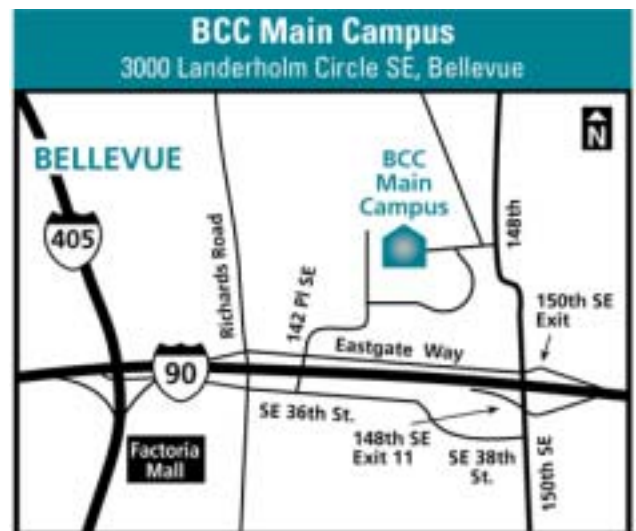

Olympia-The Public Disclosure Commission has scheduled a training session for electronic filing of campaign finance reports for Wednesday, June 25, 2003 at Bellevue Community College.

All candidates and political committees that spend \$25,000 or more, or expect to spend \$25,000 or more during 2003, are required to file campaign finance reports electronically. In 2004 the threshold for mandatory electronic filing is lowered to candidate and political committees with \$10,000 in expenditures.

The evening training in Bellevue is designed specifically for computer hands on training with the WEDS electronic filing system. PDC will provide electronic filing software free-of-charge at the training sessions that will create all of the candidate and political committee reports necessary to comply with state law. The Washington Electronic Disclosure System (WEDS) is also available for downloading to your computer at the PDC web page at <http://www.pdcca.wa.gov/filerassistance/efileinfo/wedsdownload.asp>.
